

Family Business Office

WHO WE ARE

The Family Business Office (FBO) supports and promotes the continuity of family-owned businesses. We recognize the vital role of these businesses in the economy and offer support to address their challenges. FBO processes applications from businesses to be recognized as family businesses. Formal recognition as a family business provides access to advisory and mediation services, strategic and succession planning, and business transfers, thereby sustainability across generations. The FBO also promotes incentives designed to materially and financially assist family businesses.
